

## **Goals of Region 644**

Provide a safe and fun environment for kids to play and learn the game of soccer.  
Expansion of current volunteer base in order to insure the continued growth of the region.

Expansion of current available soccer facilities to accommodate the continued growth and demand for an increase in registrations.

Continued education to volunteer coaches with a goal of each coach obtaining the certification necessary and required at each division level. All referees and linesmen obtaining the necessary education to achieve the level of regional referee.

Have Region 644, inclusive of all parents, players and volunteers, be guided by the AYSO philosophies: Everyone Plays, Open Registration, Positive Coaching, Balanced Teams, Good Sportsmanship and Player Development.

### **Becoming a Volunteer**

“ One Hundred Years From Now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove, but the world may be different because I was important in the life of a child.” There is no greater gift that you can provide to the children in our community than to volunteer. What may seem so insignificant to us now may just be the thing that energizes one of our children for the rest of their lives. It is a chance we all must take. So, how can you help? Many ways...Here is a partial list of the possible ways you can help your organization:

**Coach Referee Field Setups**

**Team Parent**

**Assistant Coach**

**Fund Raising**

**Teardowns**

**Field Marshalls**

**Lines-person**

### **Anything That We May Have Forgotten**

By all means, don't be shy...please speak up. Speak to your team coach, referee or any board member that you see at the fields to offer your volunteer support to our children's program. Previous experience is not necessary. We will teach you everything that you will need to know to allow you to experience the rewards of getting involved.
